ZIMBABWE

ACT

To apply a sum of money for the service of Zimbabwe during the year ending on the 31st December, 2020.

ENACTED by the Parliament and the President of Zimbabwe.

1 Short title

This Act may be cited as the Appropriation (2020) Act, 2019.

2 Interpretation

In this Act—

“Estimates of Expenditure” means the Estimates of Expenditure for the year ending on the 31st December, 2020, submitted to and passed by the National Assembly;

“Retention Fund” means a Retention Fund referred to in section 18(1)(a) or (b) of the Public Finance Management Act [*Chapter 22:19*] (No. 11 of 2009);

“Vote” means a vote appropriation for the year ending on the 31st December, 2020, as specified in the Estimates of Expenditure.

3 Consolidated Revenue Fund charged with \$57 052 700 000

The Consolidated Revenue Fund is hereby charged with such sums of money as may be required for the service of Zimbabwe during the year ending on the 31st December, 2020, not exceeding in aggregate the sum of fifty-seven billion and fifty-two million seven hundred thousand dollars.

4 Retention Funds charged with \$1 993 822 000

The Retention Funds are hereby charged with such sums of money as may be required for the service of Zimbabwe during the year ending on the 31st December, 2020, not exceeding in aggregate the sum of one billion nine hundred and ninety-three million eight hundred and twenty-two thousand dollars.

5 Application of moneys granted

Subject to section 17(5) of the Public Finance Management Act [*Chapter 22:19*] (No. 11 of 2009), the moneys appropriated shall be applied to the services detailed in the Schedule and more particularly specified in the Estimates of Expenditure.

6 Power of Minister of Finance and Economic Development to authorise transfers between Votes

(1) Where, in the case of any moneys appropriated by section 3 or 4 in respect of a particular Vote set out in the Schedule which are to be applied in terms of section 5 to any particular service specified in the Estimates of Expenditure, the administration or provision of such service is assigned to a different Ministry, the Minister of Finance and Economic Development may direct that any portion of the moneys appropriated in respect of the first-mentioned Vote be transferred to such other Vote as relates to the Ministry to which the administration or provision of the service concerned has been assigned.

(2) In the case of moneys appropriated by section 3 or 4 in respect of the Unallocated Reserve of Vote 5, amounting to **\$1 394 632 000** under Programme 3, Sub Programme 1, the Minister of Finance and Economic Development may direct that any of the moneys so appropriated be transferred to the Vote of any other Ministry for the purpose concerned, and any moneys so transferred shall not be applied for any other purpose:

Provided that, if any moneys so transferred are not required for the purpose concerned, the Minister of Finance and Economic Development may direct the transfer of the moneys back to Unallocated Reserve of Vote 5.

(3) Moneys transferred in terms of subsections (1) and (2) shall be accounted for as if they had been appropriated by section 5 to the Vote to which they are so transferred, and shall be deemed to have been so appropriated.

SCHEDULE (Section 4)

EXPENDITURE TO BE DEFRAYED FROM CONSOLIDATED REVENUE FUND AND RETENTION FUND

(Explanatory Note on Vote 26)

The amount of appropriation in Programme 3, Sub Programme 2 and 3 of Vote 26 is a correction of an omission in the Estimates of Expenditure. In the Estimates, the amount of **\$16 103 000** under the heading Benefits Management and Development for the Public Service Commission was omitted under the column "Retention Funds". Resultantly the total appropriation for Vote 26 should be **\$1 530 542 000** instead of **\$1 514 439 000** as incorrectly shown in the Estimates of Expenditure.
