### COMPETITION ACT [CHAPTER 14:28]

#### Notice of Order in terms of Section 31(4) of the Competition Act [Chapter 14:28]

IT is hereby notified that, in terms of section 31(4) of the Competition Act [Chapter 14:28] (hereinafter referred to as "the Act"), that:

The Competition and Tariff Commission (hereinafter referred to as the "Commission") conducted a full scale investigation, in terms of section 28 of the Act into the investigation of abuses of monopoly by ZESA Holdings (Private) Limited (hereinafter referred to as ZESA) through excessive tariffs, charging of electricity not consumed through the use of estimates in billing and arbitrary disconnection of electricity supplies to domestic, commercial and industrial customers.

The Commission at its special meeting held on the 8th of July, 2010, found that the allegations against ZESA constituted restrictive practices that are a manifestation of abuses of monopoly and resolved to make the following order in terms of section 31(1) of the Act.

1. THAT ZESA in arriving at the tariff using their pricing model should adjust for the following:
  - (a) in respect of Zimbabwe Power Company (ZPC), ZESA should use average normal energy generation capacity, that is, average normal load factor and exclude return on assets and fixed costs of small thermal power stations;
  - (b) in respect of Zimbabwe Electricity Transmission and Distribution Company (ZETDC), ZESA should use standard normal transmission and distribution loss factor of energy.
2. That ZESA should use actual meter readings when billing its customers subject to the provisions of the Zimbabwe Electricity Supply Authority (Miscellaneous Charges) By-laws, 1998, published in Statutory Instrument 155 of 1998.
3. THAT with respect to arrears:
  - (a) in respect of metered domestic consumers based in Harare and Bulawayo:
    - (i) the 1st February, 2009, should be used as the starting point of ZESA's new billing period, and that all outstanding charges arising from electricity consumed prior to this date should be written off;
    - (ii) the charges in respect of electricity consumed excluding fixed charges between the 1st of February, 2009, until 30th November, 2009, should be in accordance with the Minister of Energy and Power Development's directive, that is, US\$30 per month for domestic consumers in high density areas and US\$40 per month for domestic consumers in low density areas;
    - (iii) all excess payments made on the basis of estimated bills and reconnection fees for those consumers whose power was disconnected after having paid according to the Minister's directive, stated above, should be credited to the affected consumers accounts;
  - (b) in respect of non-metered domestic consumers countrywide with load limiters, ZESA must reduce the fixed monthly energy charges to 57%, this being the ratio of the power availed for use by consumers monthly for the period between the 1st February, 2009 and November, 2009. From 1st of December, 2009 onwards, the fixed monthly charges for such consumers should be based on power availed taking into account load shedding.
  - (c) in respect of all other consumers, namely: industrial; commercial; mining; farming; schools; universities; government institutions; hospitals and other commercial entities, they should approach ZESA and submit their electricity consumption where readings are available, where readings are not available and the parties fail to agree on respective consumption levels, a mutually agreed arbitrator should be appointed.

4. THAT ZESA must load shed in a fair and equitable manner and advise customers of the basis or reason for the load shedding.

D. SIBANDA,  
Chairman,

20-8-2010.

Competition and Tariff Commission.

#### GOVERNMENT GAZETTE

##### Conditions of Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting *any* kind of notices are strongly advised to follow the guidance offered in—

- (a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
- (b) the Manual of Style for the Drafting and Preparation of copy published by Printflow (Private) Limited;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the *Gazette* itself and for subsidiary legislation issued as supplements to the *Gazette*.

1. (1) Other than by prior arrangements, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, *et cetera*.

4. Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

- (a) exceed 10 pages of double-spaced typing on size A4 paper; or
- (b) contain tabular or other matter which involves complicated setting;

it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

- (a) the work involved is of a straight forward and non-tabular nature; and
- (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

- (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
- (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted *exactly* as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

- (a) the name and address of the advertiser; and
- (b) the debtor's code number, if any; and
- (c) the required date or dates of publication.

10. If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—

- (a) that such error is reported to the editor within three months from the date of publication; and
- (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
- (c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting and pay for such notice to be published.

(3) For the removal of doubt—

- (a) a typographical error is made by a typographer;
- (b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

#### GOVERNMENT GAZETTE

##### Submission of Copy for Government Gazette Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the *Gazette*; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where *urgent* copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a *Gazette Extraordinary* has tended to be a must rather than a matter of priority in respect of unwarranted delays of *urgent* copy.

While every effort will continue to be made to publish *Extraordinaries* on the required dates, copy must be submitted *timeously* so that it can be programmed into the printing-work-flow as soon as it is available.

H. MATINGWINA,  
*Gazette Editor.*
