NOTICE is hereby given, in terms of section 46A of the High Court Act [Chapter 7:06], that in the interests of expediting justice delivery and after consulting the Judge President, I have created a specialised division of the High Court to be known as the Anti-Corruption Division of the High Court.

The Anti-Corruption Division of the High Court shall be responsible for adjudicating on all matters in which corruption or abuse of office is an element, including—

- (a) criminal trials and other matters arising out of or connected with criminal trials; and
- (b) civil cases arising out of instances of corruption or abuse of office; and
- (c) reviews, applications and appeals from magistrates courts in cases where corruption or abuse of office is an element;

and, for the purpose of this notice—

“abuse of office” includes—

- (a) conduct specified in section 174 of the Criminal Law (Codification and Reform) Act [Chapter 9:23] as constituting criminal abuse of duty as a public officer; and
- (b) any conduct on the part of an agent, other than a public officer, which would amount to criminal abuse of duty as a public officer if the agent were a public officer;

“agent” has the meaning given to it in section 169 of the Criminal Law (Codification and Reform) Act [Chapter 9:23];

“corruption” includes —

- (a) conduct specified in sections 170 to 173 inclusive of the Criminal Law (Codification and Reform) Act [Chapter 9:23]; and
- (b) any other dishonest conduct committed by an agent in his or her capacity as such.

HON. L. MALABA,  
Chief Justice.

#### EXPLANATORY NOTE

*(This note does not form part of the notice but explains its contents)*

In terms of section 46A of the High Court Act [Chapter 7:06] the Chief Justice has power to create specialised divisions of the High Court in accordance with section 171(3) of the Constitution, where he considers it appropriate to do so in the interests of expediting justice delivery or promoting ease of access to justice, or for any other reason.

A specialised division of the High Court such as the Anti-Corruption Division is able to exercise the general jurisdiction of the High Court in any matter that is brought before it. Hence the Anti-Corruption Division will have jurisdiction to deal with matters falling outside those specified in this notice.

The Judge President will assign at least two judges of the High Court to the Anti-Corruption Division and will specify the periods for which they will be so assigned.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the *Gazette* itself and for subsidiary legislation issued as supplements to the *Gazette*.

1. (1) Other than by prior arrangements, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, *et cetera*.

4. Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

- (a) exceed 10 pages of double-spaced typing on size A4 paper; or
- (b) contain tabular or other matter which involves complicated setting; it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

- (a) the work involved is of a straight forward and non-tabular nature; and
- (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

- (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
- (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

- (a) the name and address of the advertiser; and
- (b) the debtor's code number, if any; and
- (c) the required date or dates of publication.

10. If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—

- (a) that such error is reported to the editor within three months from the date of publication; and
- (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
- (c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication,

the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting and pay for such notice to be published.

(3) For the removal of doubt—

- (a) a typographical error is made by a typographer;
- (b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

#### GOVERNMENT GAZETTE

Submission of Copy for Government *Gazette* Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the *Gazette*; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the

signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a *Gazette* Extraordinary has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinaries on the required dates, copy must be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

H. MATINGWINA,  
*Gazette* Editor.

Printflow (Private) Limited,  
George Silundika Avenue (between Sixth Street  
and Epton Street), Harare (PO. Box CY 341, Causeway).
